Logging into the Parent Portal

Creating an account

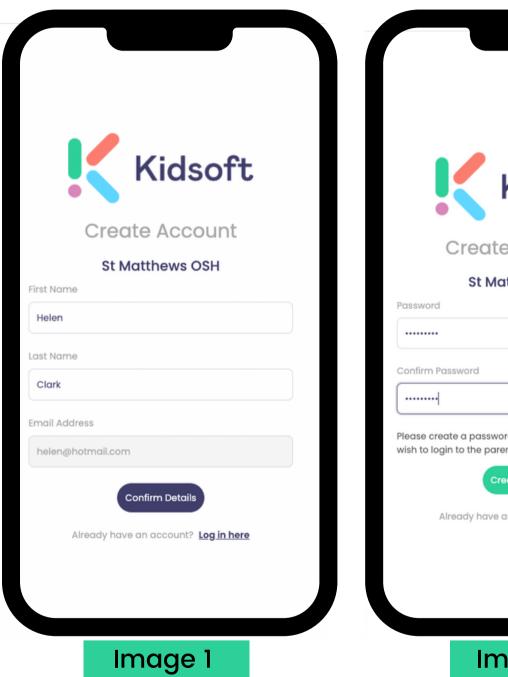

From the email, click on the 'invite link' this will direct you to the '**Create Account**' screen where your account details will populate. (Image 1)

Click on "Confirm Details" this will direct you to the 'Create Password' screen. (Image 2)

(Password must have a minimum of 8 characters but must include, 1 Upper case, 1 symbol, 1 number)

You will then be directed to the log-in page where your username will pre-fill and you will simply be required to enter in your parent portal password. (Image 3)

**The system will recognise if you are already an existing user. (Image 3)
